WE CARRY CROSS-INDUSTRY EXPERIENCE.

Startups • D2C • Local brands
Creators • Service businesses
Hospitality • Fashion • Tech • Real Estate

If the brand has ambition,
we're interested.

THE IMPACT

Turning ideas into brands
and brands into businesses.

- Better visibility
- Stronger recall
- Higher engagement
- More qualified leads

We focus on outcomes,
not just aesthetics.

TLDR: CARS24 has launched the 'CARS24 Guarantee powered by PDI,' offering ₹50,000 if any critical error is found in its Advanced Pre-Delivery Inspection reports for used cars, aiming to set a new standard for transparency and accountability in India's used car market.

In a market where half-truths and hidden histories often shadow used car purchases, CARS24 has introduced a radical industry-first assurance, the CARS24 Guarantee powered by PDI. The initiative
